Tuition Rates

Tuition is based on a 10-month contract for attendance from Sept-June. Summer school is a separate contract. The monthly rate is a calculation of the annual rate divided into 10 equal payments. The number of days in a month does not affect the monthly payment rate.

The first tuition payment is due July 25, 2012. Siblings receive a 5% discount when children are enrolled simultaneously and the older child is paying full tuition. A 3% discount is offered if the Annual Tuition is paid in full by the first week of school.
