

Sunscreen Authorization Form

Cougar Mountain Montessori must have parent's authorization to administer medications which includes applying sunscreen. Please complete and return this form if you would like CMM staff to apply sunscreen to your child after 3:00 PM.

The easiest product for our teachers to apply is **SPRAY SUNSCREEN**. Unfortunately, purchasing spray sunscreen for each child is not within our school's budget. If you would like to supply your child's personal spray sunscreen, it is greatly appreciated by the teachers! We do have available Rocky Mountain Sunscreen lotion, SPF 30, which we will apply if individual sunscreen is not provided by the parents.

- **Please apply sunscreen to your child prior to arrival at school.**
- **Cougar Mountain Montessori staff will apply sunscreen at 3:15 PM.**

Child's Name:	Class:
Please select one of the following:	
<input type="checkbox"/> I wish for the staff to use the following sunscreen for my child: Name of Sunscreen: Rocky Mountain Sunscreen/SPF 30 (Lotion) ACTIVE INGREDIENTS: Octinoxate 7.5%, Octisalate 7.5%, Oxybenzone 4% Homosalate 10%
